

## Heron Corn Mill's '1220 -2020 Flax Project'

Thank you for your interest in the Heritage Lottery funded '1220 -2020 Flax Project'.

As this is a community programme of activities we would like to involve as many people as possible in all aspects of the project. If you would like to be involved please tick to indicate which areas are of interest. Please also tick to let us know about any skills and expertise that you may be able to offer. You may tick any number of boxes.

	I am interested in this aspect of the project.	I have knowledge and skills in this aspect of the project that I am willing to share.
Growing flax and natural dye plants at the Heron Corn Mill.		
Growing flax and natural dye plants at home or on an allotment.		
Making tools for processing flax fibre.		
Processing flax fibres.		
Spinning linen yarn.		
Weaving linen cloth.		
Natural dyeing of linen yarn and cloth.		
Paper making.		
Rope and cordage.		
The history and archaeology of local flax and linen production.		
The future of flax and linen.		
Any other aspect of flax and linen that you feel could be included in the '1220 – 2020 Flax Project' Please note your ideas below:
